

# ESCOLINHA NHASSANANA

## Inhambane / Moçambique

We are a community preschool education project. The kindergarten consists of 40 children in the age of 2 – 6 years, two nursery teachers, a cooker and a pedagogical director.

The children come from local families in the area.

The school aims to give them the best possible start to their school life.

Many of the families in our area have problems paying with the whole monthly fee.

The project needs per child 1€ per day.

For there we are asking you to please support the project “Escolinha Nhassanana”.

The children would really appreciate any help.

Your contribution could be a support for a child or two children, a donation in money or in materials that the nursery school “Nhassanana” needs.

Simple support for one child	15€ per month
Complete sponsorship for one child:	25€ per month
Double sponsorship for two children:	50€ per month
